

FEMA Grants Won't Affect Other Benefits

Release Date: Jun 15, 2023

FEMA grants are not taxable income. Applying for disaster assistance will not affect other federal benefits you may receive.

Accepting a FEMA grant will not affect eligibility for Social Security, Medicare, Medicaid, Supplemental Nutrition Assistance Program (SNAP) benefits or other federal benefit programs.

Disaster grants help survivors pay for temporary housing, essential home repairs, essential personal property replacement and other serious disaster-related needs not covered by insurance or other sources.

Disaster survivors in Broward County who had uninsured damage or losses from the April 12–14 severe storms, tornadoes and flooding can apply to FEMA for federal assistance.
